

FastMount™ Adapter

No more wrenches, stripped threads, and lost or dropped hardware. No more costly downtime. No more hassles. Just clamp and go, quick and simple.

Product Features

- Converts your existing connection to quick-clamp-type design.
- Easy access to tank/vessel contents and easily change out instruments, probes, piping, etc.
- Fits all NA-Connect and H-Connect™ mounting flanges.
- No vessel modifications or retrofits needed.
- Simple no-weld installation and easy maintenance.
- Long working life and ASME coded for certified operating pressures and temperatures.
- Includes: Standard Heavy Duty Clamp (1), FastMount™ Adapter Split Rings (2), Adapter Flange Hardware (3) and Adapter Flange (4).

* NA-Connect or H-Connect™ Mounting Flange

* U.S. Patent No. 8,328,245
